

vhf camfacture AG is a leading manufacturer of CNC milling machines and CNC milling tools. As a dynamic and innovative company, we offer you an exciting and varied role in a modern working environment, with flat hierarchies and direct lines of communication. At its headquarters in Ammerbuch, 30 km south-west of Stuttgart, vhf currently employs around 300 people.

Technical Service Specialist - Dental Systems (m/f/d) Spain

Your Responsibilities

- Acting as the local resource for all technical questions of distributors and end users all over Spain
- Installation, commissioning and qualified initial training on our equipment and software
- Support, maintenance, training and repairs at customer sites and in partner repair centres
- Service and support training for distributors and partners
- Technical sales support for the field sales force, both virtually and on site, at trade fairs and events
- Consulting individual customers in close coordination with Area Sales Management
- Member of our global second-level support team for our customers and partners

What We’re Looking For

- Successful completion of vocational training as a dental technician or, alternatively, in the field of mechanics/electronics (m/f/d)
- Initial professional experience in digital dental technology or in mechanical engineering
- Very good Spanish skills (Spanish - C1/2 level) and English or German skills (at least B2 level)
- High degree of flexibility and willingness to travel (approx. 50%)

- Reliability, resilience and ability to work in a team
- Independent, precise and careful working style
- Class B driving license required

What We Offer

- A reputable and successful company with an outstanding product portfolio
- Challenging, diverse, and exciting tasks
- A tailored onboarding program to ensure a smooth start
- A dynamic and supportive team that helps you settle in and grow
- Modern work environment with flexible and mobile working options
- A family-like, appreciative company culture with open communication
- Summer party for employees and regular team events
- Company pension plan
- Company smartphone for private use
